**TRAM NETWORK CLOSURE: TRAFFIC ARRANGEMENTS**

Public Transport to the Old Trafford Cricket Stadium will be adversely affected by the closure of the Metrolink line between Cornbrook and Altrincham tram stations. This will affect anybody travelling from Manchester City Centre and south of the City who were planning to use the Metrolink Tram service.

An increased bus service will replace trams to facilitate the arrival of concert goers.

At the end of the concert, Stagecoach will provide additional bus services from Talbot Road, opposite Kelloggs outside the stadium to Manchester. Metrolink buses will serve Altrincham again from Talbot Road. Please check you board the correct bus for your destination

A 'Walking Route' will be signed from Cornbrook Metrolink station to the Stadium. At the end the route will be signed to both Cornbrook and the city centre if you wish to walk all the way.

A Taxi Rank will be available at Trafford Town Hall, opposite the Stadium.

Kelloggs Ltd on Brian Statham Way will provide a parking facility for Blue Badge holders.

Public Car parking facilities will be available at Manchester United, Stretford Sports Centre, Stretford High School, North Trafford College and Trafford Town Hall.

Parking Regulation Enforcement Officers will be on duty and the public is advised that strict enforcement of local Residence Only schemes will take place, and vehicles will be clamped or towed away.
